

## Badge collections

Players can earn badges from different sources which are displayed on their ID Card like a collection to show their progress through the game

**Intention :** have a simple and rewarding way of showing a player's progress + make players want to show their progress on social media through their collections

**Player interest :** having a pretty way of seeing their progress on their ID card

**Ref(s) :** *Arknights, Pokémon*

### Collections ideas :

- **Story collection:** 1 badge per chapter completed (=5 *badges*)
- **Dream collection:** 1 badge per chapter completed (=5 *badges*)
- **Achievement collection:** 1 badge per achievement that can evolve with achievement steps (*may need Achievement system rework beforehand*)
- **Atlantis collection:** 1 badge that evolves with number of beads produced  
1 badge per upgrade that evolves with the upgrades steps (3 *badges*)
- **Social collection:** 1 badge that evolves with number of Social Points
