

MC Upgrade design

Main character (*/player*) can create his own character to play.

The main character will gain skills points by completing a chapter on Dream Mode (*after the cinematic of the dream chapter*).

- Each chapter gives **+2 skills points** on a skill.

**Defined by designers.*

Main character will have **3 skills points** on all capacities, and will earn:

Chapter 1: +2 Mining

Chapter 2: +2 Building

Chapter 3: +2 Chopping

Chapter 4: +2 Crafting

Chapter 5: +2 Gathering

**Fighting skill is already at level 5 and will not be reinforced.*

After completing all dream chapters, the main character will have 5 skills points on all capacities.

At the end of a chapter, the following UI opens:

The two gained skill points are highlighted (*+add an animation when earning it*).
