

Artifact Seeker

Player must clear an island with a set chance of finding artifact pieces when removing terraformables

Intention : make players come back to play the game for the duration of the event

Player interest : earn exclusive rewards

- 10 minute max to clear island
- Artifact pieces can be found by clearing vegetation tiles
- 3 artifacts to complete per event
- Each artifact has 4 pieces that match like a puzzle when together
- Completing an artifact gives a reward corresponding to the artifact (housing item)
- Completing all artifacts gives a **grand reward** (ultimate housing item)
- Opens for 2 weeks
- Island is automatically refreshed each day
- Island can be refreshed manually by using gems

Ref(s): *Equideow (cards event)*
