

Character sharing

Players can use one of their friend's character while in expedition for a limited time

Intention : make players want to upgrade their characters to share them with their friends

Player interest : getting one additional crewmate to help on expeditions levels for a limited time

Ref(s) : *Arknights, Brave Frontier, Honkai Star Rail, Valkyrie Connect*

- Additional crewmate slot with "Friend" aspect next to the main character slot on expedition levels
- All players are required to choose a crewmate that will help their friends when they register their first friend
- Time limit is 1h and cooldown between uses is 30 min (or only once a day)
- Players can choose a friend's crewmate only once a day
- Choosing a crewmate the player already have will replace it for the duration of the share
- Customized character can be used instead of crewmates
